

SPOOKY-CUTIE BAT PATTERN

(perfect for making your own Bat Mobile)

MATERIALS

10x10" each of two fabrics

Scissors

Pins

Needle and thread

Pencil

Stuffing

DIRECTIONS

1. Cut out bat body and wings
2. Pin right sides of the wings together. Sew using a $\frac{1}{4}$ inch seam allowance, leaving the straight edges open
3. Flip wings inside out.
4. Pin the two pieces of the bat body together at the head.
5. Pin a wing to one side the bat body pieces, right sides of the wing fabric against the right sides of the body fabric, matching the dots on the wing to the dots on the body. Do the same with the other wing.
6. Sew using a $\frac{1}{4}$ inch seam allowance, leaving the bottom of the bat open.
7. Flip inside out and stuff the bat body.
8. Slip-stitch the bottom of the body closed.
